1. What is the definition and objective of the proposal?

To close out an area 4, the be allowed to go into another area 4 with fish on board. With fish segregated in fish hold. Vessel must be required to have VMS operating.

2. Impacts: Describe who you think this proposed change might affect (include issuer, processors, agencies, and the public).

2a. Who might benefit from the proposed change?

fisherman closing out an area 4, in a clean up to save fuel cost, this will cut down on travel and may save an additional trip!

2b. Who might suffer hardships or be worse off?

Not aware of any.

3. Are there other solutions to the problem described above? If so, why were they rejected?

Not aware of any.

Please attach any other supporting materials. All items submitted by November 15, 2007 will be considered at the IPHC Annual Meeting. Remember to include contact information and signature.
