

International Pacific Halibut Commission

**Established by a Convention between
Canada and the United States of America**

Report of Assessment and Research Activities 2001

**Director
Bruce M. Leaman**

**Produced by the IPHC staff
2002**

**When referencing articles within this document, please use the following guideline:
Author(s). 2002. Report title. Int. Pac. Halibut Comm. Report of Assessment and Research
Activities 2001: page numbers.**

Thomas Kong
Bruce Leaman
Lauri Sadorus
Gregg Williams

Contents

IPHC research program: Review of 2001 projects and proposals for 2002 7
The International Pacific Halibut Commission Staff

The Fishery

2001 commercial fishery and regulation changes 43
Heather L. Gilroy and Thomas M. Kong

Further examination of biological issues concerning an extended commercial fishing season 53
Bruce M. Leaman, Tracee O. Geernaert, Timothy Loher, and William G. Clark

2001 sport fishery 75
Calvin L. Blood

Wastage in the 2001 Pacific halibut fishery 83
Heather L. Gilroy

Estimates of the personal use harvest for 2001 87
Gregg H. Williams

Retention of sublegal halibut in the Area 4E CDQ fishery: Results from 2001 89
Gregg H. Williams

History of Area 2 fisheries, management and assessments 91
William G. Clark and Gregg H. Williams

Sampling and Analysis

Commercial catch sampling 105
Lara M. Hutton, Tracee O. Geernaert and William G. Clark

Age distribution of the commercial halibut catch for 2001 113
Joan E. Forsberg and Calvin L. Blood

Population Assessment

- Assessment of the Pacific halibut stock at the end of 2001** 121
William G. Clark and Steven R. Hare
- Evaluation of the Pacific halibut harvest policy and medium term harvest projections ...** 147
Steven R. Hare and William G. Clark
- Effects of climate, stock size, and region on recruitment and growth of Pacific halibut ...** 169
William G. Clark and Steven R. Hare
- Comparison of fixed-hook and snap-hook CPUE** 191
William G. Clark

Bycatch

- Incidental catch and mortality of Pacific halibut, 1962-2001** 199
Gregg H. Williams
- The Bering Sea trawl fishery Prohibited Species Donation program:
Results from 1998-2001** 211
Gregg H. Williams
- Pacific halibut discard mortality rates in the 1990-2000 Alaskan groundfish fisheries, with
recommendations for monitoring in 2002** 215
Gregg H. Williams and Din G. Chen
- Development and testing of halibut excluders for Alaska cod trawling** 231
Craig S. Rose

Biological Research

General

- Deployment of the Seacat water column profiler in 2001** 249
Steven R. Hare
- Chalky halibut investigations in 2001** 253
Stephen M. Kaimmer
- Variance comparison for surface and break-and-burn ages** 263
Joan E. Forsberg, Din Chen, and Thomas M. Kong

Seabird interactions with halibut longline gear: Sources of variation in abundance and behavior	271
Kendra Holt	

Development of a Geographic Information System	289
Richard C. Leickly	

Tagging

Pilot studies on the use of PIT tags in Pacific halibut	301
Stephen M. Kaimmer and Tracee O. Geernaert	

Analyzing mark-recapture data for Pacific halibut with a state space model	313
Din Chen	

Tagging studies	329
Tracee O. Geernaert	

Survey Results

2001 standardized stock assessment survey	335
Claude L. Dykstra, Kelly L. Van Wormer, and Aaron M. Ranta	

Cruise report for the 2001 NMFS Gulf of Alaska trawl survey	355
Lauri L. Sadorus and Eric Brown	

Cruise report for the 2001 NMFS Bering Sea trawl survey	359
Lauri L. Sadorus and Terry Sample	

Prior hook injuries: Results from the 2001 IPHC SSA and NMFS trawl surveys	365
Gregg H. Williams and Richard C. Leickly	

Survey Analysis

Comparison of setline survey CPUE in standard survey subareas and entire regulatory areas	379
William G. Clark	

NMFS trawl survey abundance estimates, distribution, and age composition of Pacific halibut in the Gulf of Alaska	385
Lauri Sadorus and Eric Brown	

Size and age composition of Pacific halibut in NMFS Bering Sea shelf trawl surveys	399
Lauri Sadorus and Gary Walters	
Density of legal-sized halibut in the eastern Bering Sea and coastwide distribution of ex- ploitable biomass	407
William G. Clark and Steven R. Hare	
Morphometric observations made on the 2001 Gulf of Alaska and Bering Sea NMFS trawl surveys	419
Lauri L. Sadorus and Joan E. Forsberg	
The elusive 82-cm halibut: Measurement variation in IPHC setline surveys	429
Ayala Knott
