Contents

IPHC research program: Review of 2005 projects and proposals for 2006	9
IPHC Staff	

Fishery removals

2005 commercial fishery and regulation changes.....	37
Heather L. Gilroy, Tracee O. Geernaert, and Lara M. Hutton	

2005 sport fishery	49
Calvin L. Blood	

Wastage in the 2005 Pacific halibut fishery	57
Heather L. Gilroy	

The personal use harvest of Pacific halibut in 2004.....	61
Gregg H. Williams	

Retention of sublegal halibut in the Area 4D/4E CDQ fishery: 2005 harvests.....	65
Gregg H. Williams	

Research options for estimating winter distribution	67
William G. Clark, Bruce M. Leaman, and Gregg H. Williams	

Sampling and analysis

Commercial catch sampling.....	75
Lara M. Hutton and Tracee O. Geernaert	

Overview of the IPHC catch sampling strategy	83
William G. Clark	

Age distribution of the commercial halibut catch for 2005.....	85
Joan E. Forsberg	

Population Assessment

Effects of gear type, hook spacing, and hook size on commercial selectivity and catchability.....	93
William G. Clark	

Assessment of the Pacific halibut stock at the end of 2005.....	105
William G. Clark and Steven R. Hare	

Analysis of PIT tag recoveries through 2005.....	123
William G. Clark	

2005 Harvest policy considerations and five year yield projections.....	135
Steven R. Hare and William G. Clark	

Area 4B population decline – should yield be lowered?	145
Steven R. Hare	

Bycatch

Incidental catch and mortality of Pacific halibut, 1962-2005	153
Gregg H. Williams	

Pacific halibut discard mortality rates in the 2004 CDQ groundfish fisheries, with recommendations for monitoring in 2006.....	165
Gregg H. Williams and Din G. Chen	

The Bering Sea trawl fishery Prohibited Species Donation Program: Results from 1998-2005	177
Gregg H. Williams	

Biological research

General

Using otolith chemistry to determine halibut nursery origin: An initial test of concept...181

Timothy Loher and Stephen Wischniowski

False annuli identification in juvenile halibut ages one to four – progress report.....191

Stephen Wischniowski and Timothy Loher

Thermal habitat preferences of Pacific halibut and the potential influence of hydrographic variability on a local coastal fishery: 2005 project progress report195

Timothy Loher

Deployment of the Seacat water column profiler in 2005.....205

Steven R. Hare and Lauri L. Sadorus

Analysis of halibut gonad staging project update.....211

Tracee Geernaert

2005 hook size and spacing experiment215

Bruce M. Leaman and Steve M. Kaimmer

Ambicoloration and flesh quality in Pacific halibut, *Hippoglossus stenolepis*233

Erin Lowery

Technique development for age determination of the Pacific sleeper shark (*Somniosus pacificus*).....249

Stephen Wischniowski

Homogeneity test for the Pacific sleeper shark (*Somniosus pacificus*): Project update.....251

Stephen Wischniowski, Trent Garner, Caroline Cameron

Tagging

Portside sampling for recovered PIT tags in Pacific halibut.....253
Joan E. Forsberg

Tagging studies277
Tracee O. Geernaert

Recoveries of double-tagged fish and PIT tag loss rate279
Stephen M. Kaimmer and Tracee O. Geernaert

Possible causes of low PIT tag recovery rates in 2004285
William G. Clark

Assessing seasonal migration of adult Pacific halibut along the Aleutian Chain using Pop-up Archival Transmitting (PAT) tags293
Timothy Loher and Andy Seitz

Using Pop-up Archival Transmitting (PAT) tags to study seasonal migration timing in the Gulf of Alaska301
Timothy Loher

Surveys

2005 standardized stock assessment survey307
Claude L. Dykstra, Kelly Ames, Aaron M. Ranta, and Eric Soderlund

Prior hook injuries: Results from the 2005 IPHC SSA and NMFS surveys.....327
Stephen M. Kaimmer and Richard C. Leickly

Age distribution of Pacific halibut in the 2005 IPHC stock assessment setline surveys ...339
Joan E. Forsberg

Cruise report for the 2005 NMFS Bering Sea trawl survey.....345
Lauri L. Sadorus and Robert Lauth

Size and age composition of Pacific halibut in NMFS Bering Sea shelf trawl surveys.....351
Lauri Sadorus and Robert Lauth

Cruise report for the 2005 NMFS Gulf of Alaska trawl survey.....359
Lauri L. Sadorus and Mark E. Wilkins

**NMFS trawl survey abundance estimates, distribution, and age composition of Pacific
halibut in the Gulf of Alaska365**
Lauri L. Sadorus, Mark E. Wilkins, and Aaron M. Ranta
